

BETHEL BAPTIST CHURCH

Bethel Thrift Cooperative Society (BTC)

The Bethel Thrift Cooperative Society (BTC) was formed in November 2004, in commemoration of the Church's 50th Anniversary. Its aim is to establish a pioneering and highly successful Co-operative Society within the Christian Churches community that is recognized for its superior customer service, financial soundness and innovativeness. The objectives of the BTC are:

- To promote thrift among its members by receiving their savings to create thereby, a pool of funds for its members
- To make loans to members exclusively for provident and productive purposes
- To invest in any security as authorized by law and approved by the Board
- To borrow money as provided by the Rules of the Society and subject to the provision of the Act.

With BTC you can be assured of Transparency & Accountability, Sound Financial Management, a Professional operation by trained personnel, Annual Audited Financial Statements, and a sympathetic & personalised consideration of Loan Requests. Over its ten years BTC has provided loans for Primary and Tertiary Education, Motor Vehicle Procurement, Construction Projects, Home Improvement Projects, Business Projects, Home Equity and Dent Consolidation.

So, if you are someone of good character, over sixteen years old and a member of any of the national bodies of Christian Churches or their family members BTC is for you. The administrator for BTC can be contacted at:
