Closing Song

Ordinary Servant

I want to be more
Than an ordinary servant
I want to be more, more (*Repeat Chorus*)

Not my will but Thy Will be done
It's not me, You are the only one
Lord, I give you my heart and my way
You are the potter and I am the clay
Search my life, see if there be
Anything wrong that don't belong
Please take it out of me

I want to be more
Than an ordinary servant
I want to be more, more (*Repeat Chorus*)

Ninety-nine and a half wont do
So I'm surrendering my all
Cause it's what I've got to do
A sacrifice that you wont refuse
From a heart broken and contrite too
Search my life see if there be
Anything wrong that don't belong
Please take it out of me
